Tuberculosis—Board of Commissioners—Creation and Duties of. (Laws of 1912, Chap. 111, Approved Mar. 18.)

The following four sections are a part of the law published in last week's issue on pages 709 to 716

SECTION 25. The fiscal court of any county in lieu of providing for the erection of a district sanatorium for tuberculosis, may contract with the district board of trustees of any other district where such sanatorium has been constructed for the care and treatment of the residents of such county who are suffering from tuberculosis, and the fiscal court of the county in which such patients reside shall pay to the sanatorium of the district receiving such patients the actual cost incurred in their care and treatment and other necessities, and shall also pay for their transportation, and shall pay such further sum to such sanatorium as the board of trustees may under proper rules and regulations provide.

SEC. 26. The Kentucky State Board of Tuberculosis Commissioners and all sanatoria established under this act shall at all reasonable times keep open for the inspection of the State inspector and examiner all of its records and books of accounts.

SEC. 27. All acts and parts of acts in conflict with this act are hereby expressly repealed.

SEC. 28. If any section of this act shall be held to be invalid, such fact shall not affect any other section of this act, it being the intention of the general assembly in enacting this act to enact each section separately, and, if any proviso or exception contained in any section of this act shall be held to be invalid, such fact shall not affect the remaining portion of said section, it being the intention of the legislature to enact each section of this act and each proviso and exception thereto separately.
